3 Graduate Credits

## Using TeLLS Data to Address the Achievement Gaps

3 Graduate Credits

### Logistics for Online Graduate Courses

- These courses are completely online; there are no face-to-face meetings.
- Participants must have an Internet connection and be able to use Microsoft Word in order to take these courses. There are no other technical requirements.
- Course sessions begin on a Tuesday and end on a Monday.

### Course Dates

Sessions begin on Tuesdays: October 20, 27; November 3, 10, 17; December 1, 8, 15, 22; January 5, 12, 19.

### Graduate Credit/Super PDP Requirements

1. Full participation in each session's discussion forum that includes one original posting to the forum prompt and at least responses to two other participants' postings.
2. A reflective analysis of the primary text for the course answering the question, "What did I learn from this reading that I can apply to my practice or to the implementation at the school/district level of specific learning outlined in the text?"
3. Performance assessment task:
  - One graduate credit courses: one task – is listed in the course description below.
  - Three graduate credit courses: two tasks – each is listed in the description below.
4. A reflective paper on the development of one work product in the course that answers the question, "How does this piece of evidence demonstrate my knowledge and skill level in this activity?"

**MTA accepts credit cards (MasterCard and Visa only), purchase orders, and personal checks.**

### Per Person MTA Fee and FSC Tuition by Program

**3-credit: \$495      1-credit: \$345**
